Subject: MOPAN Survey 2008 on the EC: Non-objection to publishing

Dear Mrs. Barton,

Thank you for the final version of the MOPAN Survey 2008, received by my services on 27th November 2008.

I take note of the fact that most of our written comments on the draft final report, submitted by Note of November 10th and subsequently discussed during the 14th November meeting, have been taken on board.

On this basis, I see no inconvenience in publishing the report.

Koos RICHELLE
